**Office Action Dated:** October 22, 2004

**PATENT**

### **REMARKS**

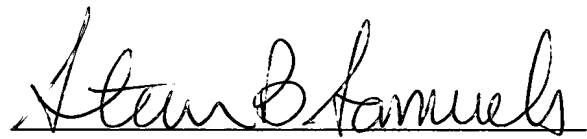

This is in response to the Office Action dated October 22, 2004.

Claims 1-32 are pending. Claim 1 has been amended to incorporate the limitations of claim 16, and claims 16-32 have been canceled without prejudice to pursue those claims in a continuation application.

Paragraph 0001 of the specification has been amended to provide the serial number of the cross-referenced application.

The Office Action indicates that claim 16 would be allowable if rewritten in dependent form. Accordingly, Applicants have amended claim 1 to incorporate the subject matter of claim 16, and therefore, claim 1 should now be allowable. As the amendment to claim 1 and the cancellation of claims 16-32 has rendered all other rejections moot, Applicants respectfully submit that the present application is now in condition for allowance.
